ANTIFREEZE & COOLANT

---

## ANTIFREEZE/COOLANTS

---

From light duty to extended life and extreme heavy duty, ARCTIQ antifreeze and coolants are designed for today's cooling system applications and essential products for every car owner. Our ARCTIQ antifreeze and coolants are made with high-quality ingredients that are specifically formulated for optimal performance in a wide range of temperatures.

ARCTIQ offers five varieties of antifreeze and coolant to be able to protect any vehicle and provide performance in any condition.

Every time.
